Location potential

The project is located in the Municipality of Viškovo, very close to the City of Rijeka, the most important Croatian international seaport, a beautiful modern city with strong historical influences on its architecture and culture. Rijeka is also the administrative and economic centre of the Primorje - Gorski Kotar County. Viškovo used to be a part of the City of Rijeka, while today it is an independent municipality with 16,000 inhabitants.
